"But in the case of carts

But Govt in their order
of the 24th July observed that
the probability was that the

Sir,

With reference to Government Proceedings No 695/M1 262-06- dated 24th July 1907, sanctioning to make certain additions to par 14 (2) of the Octroi Bye-laws in force in connection with the levy of fee of one anna for each cart of dutiable goods to be exported instead of one anna for each export pass and directing to report t manner in which the new rule works after the experience of three months, I have the honor to report that this rule is working smooth -ly and there were no complaints on the subject

With reference to the amendment proposed by Government in para 2 of the above proceedings, I beg to state that a number of carts may belong to one man and to write so many passes for him -- alone will entail needless clerical work and inconvenience and I would therefore request that if there is no objection the amen[illegible] suggested by me in my letter No 160 of 10th June last may be or[illegible]

to stand good.

I have the honor to be,
